2020 Commitments
AMERICAN LITTORAL SOCIETY
Greening and cleaning the upper Cohansey River Watershed

@jerseywaterworks  @JerseyWaterWrks  #njwater19
CITY OF NEWARK DEPARTMENT OF WATER AND SEWER UTILITIES
Replace every lead service line
NEW JERSEY DEPARTMENT OF CHILDREN AND FAMILIES
Test all state-licensed child care centers for lead within 18 months, pending funding
LOWER RARITAN WATERSHED PARTNERSHIP
Connect residents to the river through public outreach that helps them adapt to changing hydrological landscapes.
PASSAIC VALLEY WATER COMMISSION
Remove remaining utility-owned lead service lines by 2021
Provide technical assistance to community development corporations on comprehensive home lead inspections
Advocate for lead service line replacement, protective drinking water standards and testing and disclosure of in-school water.
Advocates for Children of New Jersey
American Water Works Association
